1. Small and small-medium dogs are allowed.
2. If you are bringing your pet, you **must inform us** when you book or when you check in.
3. The Management **reserves the right to accept** pets at their sole discretion, and pets must correspond to the description provided by the guest.
4. The cost for pets is €10.00 per night, to cover more thorough room cleaning and the use of suitable cleaning and sanitising products.
5. Pets must **remain on the ground** and must not be carried. They must be kept **on a leash** at all times both inside the Hotel and in the areas belonging to the Hotel.
6. **Only one pet** is permitted per room.
7. Guests must bring **adequate items to ensure their pet's well-being**, including carriers and travel pet beds.

On the first day, arrangements must be made with the room manager on the table to be occupied. However, the table must be on the sides of the room in order to keep the dog at an adequate distance from other guests, who may not like its proximity.  
Owners are recommended to behave in order not to disturb other guests with the presence of their animal.
14. All cleaning and sanitisation operations required, and the repair of any damage caused in the room by pets, will be **charged in full** to the owners.
15. If any traces (hair, excrement, etc.) are found on the bedlinen or towels, **the pet owner will be charged for the contaminated item as per the price list that can be consulted at Reception.**

16. The owner is responsible for the repair and/or replacement of any objects soiled or damaged by their pet.
17. The housekeeping staff will clean the room at the following conditions:
  - If the pet is not in the room;
  - If the pet is temporarily placed in its carrier.
